

Welcome to FCM

Dear Mayor and Members of Council,

Thank you for being a member of the Federation of Canadian Municipalities (FCM), and for being a part of the municipal movement that's helping to shape this country.

Your membership allows municipal leaders from across the country to speak with one voice. The federal government knows that FCM represents a strong and engaged municipal sector. That's why we get results.

The impact of a strong and united FCM can't be understated. Take last month's federal budget, for example. Budget 2016 was a transformative step forward for municipalities. That progress came about after FCM spent months advocating for our members' priorities directly to the new federal government. I'm proud of the difference we made — one that will be felt in communities across the country.

To ensure our unity is on full display, I encourage you to [download](#) our new "Proud Member of FCM" logo, and add it to your municipality's website or Facebook page. Let's show Canada that, together, municipal leaders are building a brighter future for all Canadians.

Please visit [www.fcm.ca](http://www.fcm.ca) and log in to access your member benefits. You are also welcome to contact Member Services at 613-907-6273 or [membership@fcm.ca](mailto:membership@fcm.ca).

Again, thank you for joining FCM. United, our voice is impossible to ignore.

Sincerely,

Raymond Louie  
FCM President
