

Town of Porcupine Plain

NOTICE

In December the Town of Porcupine Plain received approval from the Saskatchewan Municipal Board, Local Government Committee to increase water and sewer rates by approximately 10%.

This increase takes effect April 1, 2017.

The increase in revenue will be used to help meet current operating costs and upgrade requirements.

Water and Sewer Rates have not been increased since 2011.

All Water Meters Must be Read in March.

We want to ensure you are starting on the new rate schedule with an actual reading.

Town Staff will be dropping reading cards off at your door the week of March 12-17.

Please have your water meter reading in to the Town Office by March 21st.

You can submit your reading online, call your reading in, drop your card off during business hours, or place your card in the drop box on the north side of the building.
