Our nice warm January flew by—must be because we were so *busy*!

On Tuesday, January 17th, the Library facilitated **Coffee with your Local Lady Pharmacists**. Mackenzie Riley, Dana Fletcher & Tracy Slobodian from Slobodian Pharmacy hosted an evening of casual conversation about health. And each Wednesday in January was spent painting **Landscapes in Acrylics** with Beth Bentz. Classes were well attended, and we're looking forward to more classes with Beth in February!

A special thank you to Karen Halvorson for donating a quilt for the Library to raffle. Bonnie Hoffus was the lucky winner! Karen also donated some Stamping Up stamps and paper creations for the Library to sell or to be used in programming — the playschool class will love making cards for their parents! In December, Fern Sauferdt donated a denim quilt which is currently on display at the Library. Tickets are \$2 each or \$3 for \$5, and the draw will be made in spring!

**PCU PARK OUTDOOR RINK A LABOUR OF LOVE**

PCU Park is a beautiful green space in the heart of Porcupine Plain's downtown, providing the perfect space for residents and visitors to connect. The Park is frequently host to fundraisers for community organizations, as well as to barbeques and other events sponsored by local businesses. It is a great spot to sit down for lunch or an ice cream cone, have a picnic, or play on the grass; in the winter, you can enjoy Christmas decorations or spend quality time with friends and family on the Outdoor Rink.

Several years ago, the Porcupine Credit Union decided to lease the lot to create additional parking for staff, with a plan to revitalize the lot which many years ago housed the Co-op fuel station. To date, the Co-op owns the lot and the Credit Union leases it. In 2018, Porcupine Credit Union merged with Affinity Credit Union, and it seemed only fitting to name the park after Porcupine Credit Union by calling it *PCU Park*.

After parking stalls were built, grass was planted and a small walking path and sitting area were added. The Credit Union purchased a shed, Parkland Co-op donated insulation, and Altitude Electric donated wiring for spotlights and heaters, to create a warmup shack. In 2021, a cement pad was installed to allow year-round use of the rink space. And, this winter, Mr. Riley and the PPCS Grade 10 Industrial Arts class built and installed boards, as well as netting, to protect nearby vehicles and buildings. Members of the Porcupine Plain & District Volunteer Fire Department give generously of their time each year to flood the rink and Co-op & Affinity Credit Union staff take pride in decorating the space for the holidays and ensuring the ice is clear of snow and ready for use.

It is a fantastic thing to watch these cooperative entities team up for such a great project. PCU Park truly is a Labour of Love — the smiles and laughter of children while they play a friendly game of hockey speaks volumes.

Thank you to everyone who makes PCU Park a vibrant and enjoyable space for all to enjoy!

*Users are reminded to please respect the space.  
A shovel is provided to clean the ice, please leave it there for everyone to use. If you pack snacks and drinks, please take the garbage with you when you leave.*

Mr. Riley and his Grade 10 Industrial Arts class, and Deanna Smith from Affinity Credit Union, with the newly installed boards and nets at PCU Park Outdoor Rink

Thank You to ProSoils Youth in Motion for supporting the PCU Park Outdoor Rink
