Following May's successful class, Rita Robertson instructed another Chair Yoga & Cardio program on June 14th, with 13 participants. Rita will arrange for a nutritionist and dietician for "Lunch & Learn" programs this fall. On June 20th, Maddy Antaya presented a Children's Storytime with a monkey theme to the Playschool class. The children loved the stories, action songs and craft — they made monkeys hanging from a tree with their handprints. Everyone went away smiling! A big THANK YOU to Karen Halvorson who donated stamp pads and card making supplies to the Library to be used with summer reading and after-school programming. There will be a lot happening at the Library throughout the month of July too:

- **TD Summer Reading Club & Annual Reading Challenge** BEGINS! Youth interested in participating can register online on the TD SRC website or at their nearest Wapiti Regional Library Branch. For every 5 books read, youth 0-13 earn one ballot into the end of summer prize draw, for their chance to win the grand prize, or one of 10 prize packs!
- Also, grab your **Notice Nature Passport** and head outside! Check off activities as you complete them, then take your Passport to any participating library to receive a prize. There are over 300 activities to choose from! Everyone of all ages is welcome to participate — intergenerational participation and sharing passports is encouraged. *Prizes will supplies last.*
- **Summer Reading Program** will be held in conjunction with the Town's Summer Play Program:

- ◊ Wed, July 5th — **Ozobots** @ 1:30pm.
- ◊ Wed, July 26th — **Code-a-Pillars** @ 1:30pm.
- ◊ Wed, July 12th — **Cubelets** @ 1:30pm.
- ◊ Wed, August 2nd — **Legos** @ 1:30pm.
- ◊ Wed, July 19th — **Virtual Reality** @ 1:30pm.

Every week Parkland Co-op employees donate \$1 to a casual Friday fund. Once a year the staff nominate local groups to receive the funds, and the top groups are chosen and voted on.

This year, the team members at Parkland Co-op were thrilled to present three separate \$1,000 cheques to Porcupine Plain Comprehensive School Community Council, Quilly Willy Early Learning & Childcare Centre, and Modeon Theatre!

Parkland Co-op was also able to help Quilly Willy Early Learning & Childcare Centre raise \$1,410 at our member appreciation barbecue held in Porcupine Plain.

Thanks to the daycare volunteers for running the barbecue and to everyone who stopped by and purchased lunch!

HAPPY RETIREMENT HAROLD!

Harold Thorpe is three months short of a 60-year run in the furniture business, but with health concerns and an offer on the building, he (reluctantly) decided to retire his Trolley/Cart.

Harold started in the business on September 26, 1963 at the ripe age of 22 years, working for Al Wiegers at Porcupine Furniture & Appliances in the building currently known as The Sunset Club. Harold worked under Ed Ryhorski from 1963 until 1965, then moved across the street into the Sarcan building and took over management in 1968. Harold managed Porcupine Furniture & Appliances until he and his wife Lynne purchased Bill Billiards on July 3, 1986, opening the doors of H & L Furniture & Appliances on August 19, 1986. Through the years, Harold has served communities as far North as Hudson Bay down to Kelvington & Rose Valley areas, offering free delivery and installation.

Harold would like to thank the community for the continual support throughout the years and, even up to the last week of his career, he could have sold over a dozen more appliances even though stock was limited! Harold plans to enjoy his retirement keeping his seat warm at Chase Place Arena and at the Ball Diamonds watching his grandchildren play sports.

Enjoy your retirement, Harold!

The building's new owner, Debbie Holinaty, has big plans for the space!

CONGRATULATIONS TWYLA!

On Friday, June 23rd, Town of Porcupine Plain council and staff surprised Administrator Twyla Salmond with a celebration honouring her 10+ years of exceptional service and commitment to the Town of Porcupine Plain.

In her time at the Town Office, Twyla has overseen several large projects, including the decommissioning of the regional waste site and upgrades to the water treatment plant. When the Town took over the old elementary school building, Twyla oversaw the renovations and repairs to transition that building into Quilly's Community Place.

Thank you Twyla for sharing your exceptional talents, knowledge and spirit with us over the last decade.

Are you adding a shed, deck, or garage this summer?

Any structure over 100 square feet requires a building permit — including decks, even if they are not "attached" to your house, as they must meet building standards. Note that residents are required to apply for a permit and then must await building inspector and council approval before project commencement.

On Father's Day - Sunday, June 18th – ERIL Métis Nation Saskatchewan & Town of Porcupine Plain hosted its second Nature Walk & Craft Day.

The day began with the 'Hug-a-Tree & Survive' presentation by Hank Korchalo and Bobbi Buchanan of Search & Rescue Saskatchewan Association of Volunteers.

Next, the kids had a blast creating their own treasure boxes! We had to adapt our plan and keep our nature walk in town; we visited the community garden ERIL's office planted behind QCP, and then headed to the 'Story Stroll' in Scott Park to read the Ukrainian-Métis story 'Kohikum's Babushka' by Marion Mufala. We continued on to Representative Brent Digness's home to gather spinach, where we got caught in the rain. Throughout the day, Elder Margaret Harrison hosted a Journaling Workshop in the boardroom.

On Saturday, June 3rd – the same day as the Community-Wide Garage Sale – PP Minor Ball hosted their Minor Ball Day! Weather caused some delays in the morning, but once it stopped the rain held off long enough for the kids to play some ball... What a great sight to see the kids out having fun and the bleachers full of family and friends cheering them on. A HUGE thank you to PP Minor Ball, to the umps and coaches, and to the many volunteers who started bright and early pumping water, raking and dragging the diamonds, setting up for the day, and working shifts in the kitchen and at the raffle table. And thank you to Youth in Motion, who was proud to sponsor Minor Ball Day with Player of the Game awards for each team.

QUILLY WILLY DAYS 2023

Festivities kicked off on Saturday, July 1st with the annual Canada Day Parade, with a lineup of floats, cars, trucks and tractors. Unfortunately, duty called RCMP away from leading the parade, but the Fire Department and EMS were happy to lead the charge.

This year's parade theme was "Happy SPORTS Days", and businesses and community groups really ran with it, with quite a few baseball themed floats. The Porcupine Museum had ball players in current Porcupine uniforms versus players in Carragana Clippers uniforms from back in the day, and Jig's Corner Stop Café had their crew in "Jigs Stadium" decked out in custom baseball tees. Mayor Nick Wood and wife Megan rode the Town of Porcupine Plain float, a hunting scene with signs welcoming "tourists and sportsmen".

1st Prize Float entered by Porcupine-Carragana Hospital

The Healthcare Auxiliary paid tribute to "A League of Their Own", earning them 2nd Prize; 3rd Prize went to the lone hockey float, fittingly submitted by the Delmer Thorpe Memorial Draft. For the second year in a row, the Porcupine-Carragana Hospital earned themselves 1st Prize, with a float that combined Christmas & Sports, with injured ball players all patched up, Santa Claus and a Christmas tree, and a banner that read "A spill, a slip, a hospital trip. We have a healing touch. That is the winning GOAL and our gift."

Bingo, Gymkhana, Chariots & Chuckwagons followed, along with kids' rides, bouncy house and inflatable air hockey to keep the kids entertained. Thank you to Jef & Mary Imbang, whose face-painting talents turned little ones' faces into foxes and butterflies and everything in between. The burger, confectionary and pie booths kept tummies happy; beer gardens and Sugar Rush Snow Cones from Hudson Bay provided much needed relief from the extreme heat on Saturday. Thanks to the workings of Brent Digness and ERIL Metis Nation Saskatchewan, attendees were treated to live music all Saturday afternoon from "Midnight Run", a band out of Westgate, Manitoba.

Healthcare Auxiliary earned 2nd Prize with their tribute to "A League of their Own"

Saturday's festivities concluded with an amazing fireworks show. Fireworks had to be moved up earlier with the incoming storm, and wrapped up just in time for the storm to roll in — bringing with it a second light-show for the night! Thank you to everyone who sponsors the fireworks show each year.

Sunday was a quieter day, but the bursts of rain didn't stop the crowds from coming out for chariots and chuckwagons!

It's always exciting to see so much happening at the Sports Grounds all weekend long — thank you to everyone who came out to support Quilly Days. We hope to see you again next year!

The top 5 chariots were:

1. Casey Peterson
2. Brandee Braaten
3. Casey Peterson
4. Crystal Drechsler
5. Twyla Salmond

The top 5 wagons were:

1. Casey Peterson
2. Curtis Longman
3. Shane Hue
4. Wayne Salmond
5. Carol Hooge

On June 2nd, Wade Thorpe stopped by PPCS to donate \$1000 from the Porcupine Wildlife Club to support school canoe trips this year.

On June 24th, members of the Wildlife Club popped by the Trout Pond to clean up the yard and install a gazebo! Big thanks to everyone that came out to help, and thank you to Terry Cooper for donating the bin for the gazebo — it turned out great!
