CAUTION - YOU'RE IN BEAR COUNTRY!

The Porcupine Plain Comprehensive School Sr. Boy's Bears Basketball team worked their tails off all season and, this year, were ranked #1 in Saskatchewan! While SHSAA cancelled Hoopla (Saskatchewan's high school basketball championship), the association held a one-day provincial basketball championship in Moose Jaw on Saturday, March 23rd for teams that had qualified for Hoopla.

Spearheaded by Johnston Agencies, businesses showed their Bears Pride by hanging posters in storefront windows. And, on March 22nd, residents lined Main Street wearing blue and yellow, and holding Go Bears posters, to cheer on the boys as they departed town, led in a small parade by RCMP, EMS and the Fire Department.

Porcupine Plain played at 5:15p.m. at Vanier in Moose Jaw. The battle was extremely close, with the Bears ultimately losing 87-85, earning Silver at the provincial championship. The Sr. Boys Basketball team played their hearts out and our community is bursting with pride for their achievements.

U18 PARK POSSE NEHMLCHAMPIONS!

Congratulations to the U18 PARK Posse team — comprised of players from Porcupine Plain, Archerwill, Rose Valley, and Kelvington — who clinched the NEHML Championship in a thrilling overtime win on Sunday, March 24th.

Here's a challenge for you...

1. Name the five wealthiest people in the world.
2. Name the last five Heisman trophy winners.
3. Name the last five winners of the Miss America pageant.
4. Name 10 people who have won the Nobel or Pulitzer Prize.
5. Name the last half dozen Academy Award winners for best actor or actress.

How did you do?

The point is, none of us remember the headliners of yesterday. These are no second-rate achievers, they are the best in their fields. But, applause dies and awards tarnish, and achievements are forgotten. Accolades and certificates are buried with their owners.

Here's another challenge, see how you do with this one...

1. List a few teachers who aided your journey through school.
2. Name three friends who have helped you through a difficult time.
3. Name five people who have taught you something worthwhile.
4. Think of a few people who have made you feel appreciated and special.
5. Think of five people you enjoy spending time with.

Easier?

The lesson: The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards. They simply are the ones who care the most.

Are you adding a shed, deck, or garage this summer?

Any structure over 100 square feet requires a building permit (including decks, even if they are not "attached" to your house) as they must meet building standards. Note that residents are required to apply for a permit and then must await building inspector and council approval before project commencement.
