It's hard to believe that it's fall and back to school already!

Summer Reading was well attended this year, the children were excited to come each week to see what Hannah Depeel, Wapiti's summer programming assistant, had in store for them! Virtual Reality was a huge hit with the kids again, dirt painting created some masterpieces, Robotic Mice Races were a great challenge, and Cubelets allowed the kids to build their own engine and see how and where it would go. It was interesting to see how their minds worked!

September Programming

- ◇ **Pre-School Storytime** will resume every Tuesday, Wednesday and Thursday at 10:30a.m.
- ◇ **Welcoming Week** will be held September 13th-22nd, to welcome immigrants to our community.
- ◇ **1000 Books Before Kindergarten** — On Wednesday, September 18th, Alana Burka with North East Health Authority will host the kickoff for a new program, "1000 Books Before Kindergarten". Bring your preschoolers, toddlers and babies for this program.—Alana will have a craft for your child to create their own bookmark, followed by storytime and a snack. This program encourages parents to read to their children by awarding prizes for every 100, 500, and 1000 books read! *If you are unable to attend, starter kits will be available for interested parents.*
- ◇ The Library will be partnering with the Town of Porcupine Plain as part of Culture Days 2024, hosting **Storytime & Snacks** every Tuesday during Culture Days!
 - September 24th — Elder Lily Earnshaw will read stories and explain Metis traditions to the children, and Bridget Apooch will make Bannock for everyone in attendance
 - October 1st—Johnnie-Jean Buchanan will read Scottish folk stories to the children and serve traditional scones or tea biscuits
 - October 8th—Evelyn Powlowski will read Ukrainian children's stories and serve perogies

On Sunday, September 1st, we celebrated the season's end at the Porcupine Museum with an afternoon full of good old-fashioned fun!

Guests enjoyed homemade ice cream and butter, and participated in classic three-legged races and sack races. Thank you to Parkland Co-op for donating prizes for participants.

It was a perfect way to wrap up the season with a touch of tradition!

Congratulations to Evelyn Powlowski, who won the beautiful quilt in the Museum's raffle draw.

WELCOME BACK, LSMP!

Thanks to a tremendous amount of fundraising, donations, and volunteer work, the Larwood-Shaw Memorial Pool reopened on July 2, 2024. The first few weeks were consistently busy as the community wanted to check out the new facility – it was easy to pinpoint the families who were going to spend the majority of their summer at the pool!

In July and August, LSMP hosted four sets of swimming lessons for approximately 150 swimmers. Although there were a few chilly mornings, the instructors did a great job and the kids had a lot of fun. There were six Free Swims hosted over the course of the summer that were all well attended, and the pool was rented regularly throughout the summer – the Porcupine Opportunities Program rented the pool each week for their residents to swim, and there were several children who celebrated their birthdays with a pool party. The community was excited to have their pool back and the LSMP Board is thrilled to be able to provide the community with an affordable summer hangout – they can't wait to see you all again next summer!

A special thank you goes out to the incredible lifeguard and instructing team - Kiera, Marli, Danika, Ava, Hana, and Tiana; to the Pool Manager, Ben Hamelin; to the LSMP Board & Volunteers; to Free Swim sponsors Parkland Co-op, Affinity Credit Union, ProSoils Youth in Motion, Rick Fettis, & Jig's Corner Stop Café; to DZ Electric for donating time and labour for electrical work; and to Keith Agrey, who donated time and labour for work in the mechanical room.

Thank you to the PP Economic Development Committee, who donated the proceeds from the 50/50 at their Annual Show & Shine in 2024 (image left).

The Town will have a table at the Fall Fair on Thursday, October 10th to take orders for the 2025 Community Calendar. Be sure to get your orders in.

The LSMP Board's biggest fundraiser – *It's in the Bin Harvest Party* – is scheduled for Friday, October 25th. Keep an eye out for tickets - you won't want to miss it!

Fundraising efforts will continue for the operation of the facility – we thank you for your continued support!

CELEBRATING A HALF CENTURY

Porcupine Opportunities Program Inc. (POP) is celebrating its 50th year of operation in 2024. As we reflected on this, we felt it was important to recognize the individuals that helped to make the organization a success over the last five decades and to recognize some of the key milestones over the years.

POP was initially started in 1974 by a group of parents who wished to provide an opportunity for their children, who were experiencing disabilities, to live and work in or near their homes. With their own money and donations from community, the group purchased 27 acres of land on the south side of Porcupine Plain and moved a two-room schoolhouse to the site. They set up a working area in one room, storage and admin office in the second room, and a small woodworking shop in the basement. This formed POP's infrastructure to start providing services and to support 9 individuals.

Initial operations at POP were largely built around income from Canada manpower grants, while other income came from building grain bids for local farmers and the Co-op. The new beginnings of what would later become the main revenue source for the agency, core box production for mining companies, was also established. However, without a steady operating revenue, the organization was starting to falter by the end of the 1970's.

In 1983, Karl Kwiatkowski, POP's manager, orchestrated the transition from the parent group to a community-based board of directors. Base operating revenue was provided by the provincial government through the Ministry of Social Services. Over two dozen organizations were represented at the initial meetings, with some groups agreeing to sit on the board and others offering support.

Over the years, financial circumstances and changes in local organizations gradually reduced the number of organizations involved in the agency. Currently, only the Town of Hudson Bay and RM of Kelvington still appoint board members, while other board members are appointed at large.

From the early beginnings, POP continued to grow and expand its programming. Key milestones included:

- Construction of current day program, workshop and administrative office on Church St. in the early 1980s
- The initiation of residential services in 1985 with the rental of a three-bedroom home from Saskatchewan housing to support individuals in semi-independent living
- Construction of POP's first group home on 1st Ave. in 198 (Playtondale), with two more group homes being added in 1998 on Cooper St. (ABM) and in 2012 on Katherine Ave. (Glenwood)
- Building of two independent living residences, with the first in 2004 and the second in 2012. These suites house four and five individuals respectively and were attached to two of the group homes. The agency also purchased a four-bedroom home in 2010 to provide additional supported living spaces for participants additions to the business programming. Through this time, POP also included setup of a laundromat and business offices in 1991, the purchase of a four-plex

apartment building in 1994, and the addition of SARGAN recycling depots in Porcupine Plain in 1997 and Hudson Bay in 2008.

- 2018 addition of dunnage line for Weyerhaeuser
- 2022 construction begins on the 3500 square foot expansion to the workshop

Today, POP has grown to be an integral part of the local communities in Porcupine Plain and Hudson Bay. The agency currently supports approximately 30 participants, supported by 60 full- and part-time staff. Programming for participants continues to evolve and now includes two day programs (Porcupine Plain & Hudson Bay), a seniors' program, and an expanded workshop which produces core boxes for the mining sector, dunnage for the lumber industry, and various outdoor furniture, planters and other wood products for the public. Most recently, the agency has expanded its supported employment program with the expansion of service in its laundromat. A gift store that features products produced by local and regional artisans, a selection of Filipino Food, and POP Day Program produced crafts was opened in 2019. In 2023, Tid Bits, another supported employment endeavour, began creating individual frozen entrees and desserts in our inspected kitchen to sell at the store, Bits 'n Pieces.

THANK YOU...

Pasquia Porcupine Forest Management Area Public Engagement & Information Meetings

Weyerhaeuser Saskatchewan Timberlands and Edgewood Forestlands are holding a series of public engagement and information meetings related to the renewal of the 20-year Forest Management Plan and the Annual Operating Plan. Topics include:

- An update on the 20-year Forest Management Plan renewal
- Draft 2025/2026 Annual Operating Plan for harvest and reforestation operations on the Pasquia Porcupine Timber Supply Area
- Kelvington Supply Area proposed areas for 2025/2026

All groups or individuals interested or wanting to provide input in the forest management planning process are invited to attend. Industry foresters will be in attendance to answer questions.

Draft documents for the Forest Management Plan can be found at the following link:

TOWN OF PORCUPINE PLAIN

Please ensure that any trees on your property do not extend or overhang onto back alleys, streets or sidewalks. Kindly trim them to avoid any encroachment.

If the Town needs to intervene, you will be invoiced for services rendered.

Heartfelt congratulations to Connie & Gary Schmidt on over 20 years of success! As you hand over the reins to the Greenwater Beach Café and step into retirement, we wish you endless joy and fulfillment. Your dedication has left a lasting impact, and your presence will be missed. Enjoy every moment of this new journey!

ALL I REALLY NEED TO KNOW I LEARNED IN KINDERGARTEN

Uncommon Thoughts on Common Things
 By Robert Fulghum

Most of what I really need to know about how to live and what to do and how to be, I learned in kindergarten. Wisdom was not at the top of the graduate-school mountain, but there in the sandpile at Sunday School. These are the things I learned:

- Share everything.
- Play fair.
- Don't hit people.
- Put things back where you found them.
- Clean up your own mess.
- Don't take things that aren't yours.
- Say you're sorry when you hurt somebody.
- Wash your hands before you eat.
- Flush.
- Warm cookies and cold milk are good for you.
- Live a balanced life—learn some and think some and draw and paint and sing and dance and play and work every day some.
- Take a nap every afternoon.
- When you go out into the world, watch out for traffic, hold hands, and stick together.
- Be aware of wonder.
