Harvest is in full swing! Gardens are being cleaned! Pumpkins are ripening!

Our kickoff to **1000 Books Before Kindergarten** was a resounding success. 10 children and their moms, grandmothers, and caregivers were in attendance. The children were able to play at each station or make a small bookmark and have a snack. Everyone was given a starter package and the children were encouraged to take books out to start their quest to 1000 Books! The next program for 1000 Books Before Kindergarten is October 22, 2024, at 9 a.m.

Culture Days Storytime & Snacks has been going great! On Tuesday, September 24th, Lily Earnshaw read "The Buffalo" and "The Sash", explaining what buffalo were used for and the many uses and ways to wear a sash. She gave the children a sample of buffalo jerky, then Bridget Apooch and Karen Gendron presented the history of Bannock and gave the children a sample to try. A big thank you to Lily for reading to the children, to Bridget Apooch for the bannock, and Karen Gendron for overseeing the bannock making, and to Brent Digness & Metis Nation SK ERW's office for loaning items for our display.

On Tuesday, October 1st, Mr. & Mrs. Buchanan dressed up in traditional Scottish attire and read about the Loch Ness Monster! They shared Scottish traditions and provided them with baking to taste.

There is one more Storytime & Snacks left in our Culture Days programming! On Tuesday, October 8th, Evelyn Pawlowski will read "The Ear of Wheat" and explain some Ukrainian traditions. Evelyn will bring perogies with butter and onions or sour cream. Thank you to the Porcupine Plain & District Museum for allowing us to borrow the Ukrainian mannequins for our display.

October Programming

Chris will be back in November, December & January for regularly scheduled programs to encourage the children.

POP CELEBRATES 50 YEARS

On September 6, 2024, the Porcupine Opportunities Program Inc. (POP) commemorated its 50th anniversary with a celebratory lunch for its workers, participants and board members, as well as community members and honoured guests.

Hugh Nerlien, MLA brought greetings on behalf of the Premier and province, and reminisced on discussions that took place when POP was being formed. Mayor Nick Wood reflected on the meaningful contributions the POP makes to the community, as

they take part in every event that brings us together, making the organization such a large part of what makes this town truly unique and special. Special guests included Melanie Weiss with SARC and Jason Kocay with Weyerhaeuser, key supporters of the POP. Executive Director for POP, Ruth Cresswell Howes, read greetings on behalf Prairies Economic Development Canada/Northern, as well as Cathay Wagantall, MP.

The day's celebrations also included an unveiling of the organization's new van, and ended with a ribbon cutting ceremony and guided tour of the POP's new 3500-square-foot

Fire Prevention Week is October 6-12, 2024
This year's theme: Smoke alarms: Make them work for you!

Jason Alexander, Fire Chief
Porcupine Plain & District Fire Department

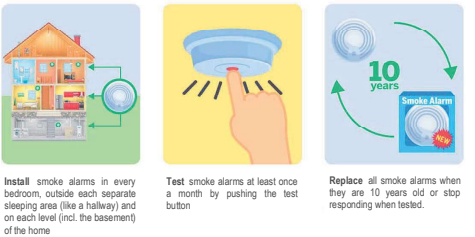

The Porcupine Plain Fire Department is teaming up with the National Fire Protection Association® (NFPA®)—the official sponsor of Fire Prevention Week™ (FPW™) for more than 100 years—to promote this year's FPW campaign, "Smoke alarms: Make them work for you!" The campaign works to educate everyone about the importance of having working smoke alarms in the home.

According to NFPA, smoke alarms reduce the risk of dying in a home fire by more than half (54%). Meanwhile, roughly three out of five fire deaths happen in homes with either no smoke alarm or no working smoke alarms.

"Smoke alarms serve as the first line of defense in a home fire, but they need to be working in order to protect people," said Lorraine Carl, vice president of outreach and advocacy at NFPA. "This year's Fire Prevention Week campaign helps better educate the public about simple but critical steps they can take to make sure their homes have smoke alarms in all the needed locations and that they're working properly."

The Porcupine Plain Fire Department encourages all residents to actively support the 2024 FPW theme. "Working smoke alarms can make a life-saving difference in a home fire, giving people the time to get out safely," said Jason Alexander, Fire Chief. "This year's Fire Prevention Week campaign is a great way to remind everyone about these messages and to act on them."

Porcupine Plain Fire Department offers these key smoke alarm safety tips and guidelines:

Make sure alarms meet the needs of all family members, including those with sensory or physical disabilities.

The PP Fire Department will be visiting the school, daycare, and play school on October 8th in support of this year's campaign.

For more information about Fire Prevention Week and the importance of smoke detectors, visit www.fpw.org. For fire safety fun for kids, visit sparky.org. If you are interested in becoming a volunteer fire fighter, or if you would like more information on the PP & District Fire Department, please contact the Town of Porcupine Plain at 306-278-2262.

"If it serves older persons, it will serve all persons."

Becoming an Age-Friendly Community

An Age-Friendly Community Recognition Program has been introduced in Saskatchewan to recognize communities that undertake activities or create programming to be more inclusive of older adults, leading to communities that are more inclusive of all people. Porcupine Plain's newly established committee is conducting a survey to gather data about services and conditions in Porcupine Plain, which will be utilized when developing the committee's action plan. Surveys are available at the Medical Clinic, Hospital, Town Office, Library, and Co-op grocery store, and must be submitted by October 31, 2024.

CULTURE DAYS

Culture Days is a national celebration of arts and culture. Between September 20-October 13, 2024, the community will be hosting a number of events highlighting the importance of arts and culture. Everyone welcome! All events are free or by donation.

Some events have limited spaces available, so registration is required. To register, contact Koral @ 306-278-2311 / cdo.porcupine@sasktel.net

Culture Days is in full swing in Porcupine Plain! Storytime & Snacks at the Library has gone over very well. Lily Earnshaw read Metis children's stories on September 24th, while Bridget Apooch served bannock, and on October 1st Mr. & Mrs. Buchanan dressing up in traditional Scottish clothing to read about the Loch Ness Monster and give the little ones a taste of traditional Scottish baking.

Thank you to all who came to the Museum on September 21st for a fun afternoon of butter making! Kim, Elva, and Koral, your homemade treats were a lovely addition to our butter tasting.

We had a great turnout on Saturday, September 28th, for the Birch Bark Biting workshop. Joann Morrisseau Dickson came from Theodore, SK, to discuss the process of collecting birch bark and demonstrate how to create a truly one-of-a-kind piece of artwork using just your teeth — because nobody's teeth are the same, each person's creation is completely unique to them. Joann shared a number of other uses for birch bark, along with a wealth of traditions and teachings. We are grateful to Joann for sharing her knowledge and spoiling attendees with homemade bannock and jam!

Then, on September 30th, in honor of the National Day for Truth and Reconciliation, the Town of Porcupine Plain partnered with Metis Nation Saskatchewan Eastern Region II to host a delicious

ry bread and stew lunch. We extend our gratitude to everyone who took part in this special day of reflection and unity, and for supporting the ongoing journey of reconciliation. A heartfelt thank you to Judy, Lily, and Debbie for their exceptional efforts in preparing the meal, to Cowboy Poet Larry Krause for his toe-tapping music, to the 745 Porcupine Royal Canadian Air Cadet Squadron for volunteering their time to help setup and cleanup, and to Brent Digness & Debbie Holinaty with MNS ER11 for their meaningful collaboration for the day's gathering. Thank you also to Parkland Co-op whose support covered the cost of groceries for lunch.

Culture Days continues on Saturday, October 5th with a Painting Class with Carrie Palaniuk, Storytime & Snacks with Evelyn Powlowski on Tuesday, October 8th, and the Scarecrow Contest on Friday, October 11th.

ATTENTION

Blue Bins are for **RECYCLABLES ONLY!**
paper, cardboard, and some plastics

EVERYTHING ELSE must go in your brown bin or be hauled to the Transfer Station.

PLASTICS NUMBERED 2-7 GO IN THE BLUE BINS
PLASTICS NUMBERED 1 MUST GO IN THE GARBAGE!

Do not place garbage or yard refuse in your blue recycling bin!

The truck picks up recycling and takes it to a depot and, if even one cart contains a non-recyclable item, the entire load is contaminated and will be rejected by the depot!

Please be diligent and do not put any garbage in your blue recycle bin. It defeats the purpose of others recycling if even one bin is contaminated. If this continues to occur, the community could be removed from the recycling program.

If you are unsure if an item is recyclable, be safe and put it in the garbage bin so you are not contaminating an entire load of recycling.
