From Phones to Power Tools: Porcupine Plain Fire Department Urges Residents to Know the Risks of Lithium-Ion Batteries this Fire Prevention Week October 5-11, 2025

The Porcupine Plain Fire Department is teaming up with the National Fire Protection Association® (NFPA®) — the official sponsor of Fire Prevention Week™ (FPW™) for more than 100 years — to promote this year's FPW campaign, "**Charge into Fire Safety™: Lithium-Ion Batteries in Your Home.**" It highlights how important it is to buy, charge, and recycle lithium-ion batteries safely.

Most of the electronics we use in our homes every day — smartphones, tablets, power and lawn tools, laptops, e-cigarettes, headphones, and toys, to name just a few — are powered by lithium-ion batteries. In fact, most everything that's rechargeable uses this type of battery. If not used correctly or if damaged, lithium-ion batteries can overheat, start a fire, or even explode. To reduce these risks, look around your home — it's important to know which devices are powered by them. "Lithium-ion batteries are powerful, convenient, and they're just about everywhere," said Jason Alexander, Fire Chief. This year's Fire Prevention Week campaign helps people understand the importance of using these batteries correctly to prevent fires in the home and to follow the Buy, Charge, and Recycle Safely approach."

Buy only listed products.

When buying a product that uses a lithium-ion battery, take time to research it. Look for a stamp from a nationally recognized testing lab on the packaging and product, which means that it meets important safety standards. Many products sold online and in stores may not meet safety standards and could increase the risk of fire.

Charge devices safely.

Always use the cords that came with the product to charge it. Follow the instructions from the manufacturer. If you need a new charger, buy one from the manufacturer or one that the manufacturer has approved. Charge your device on a hard surface. Don't charge it under a pillow, on a bed, or on a couch. This could cause a fire. Don't overcharge your device; unplug it or remove the battery when it's fully charged.

Recycle batteries responsibly.

Don't throw lithium-ion batteries in the trash or regular recycling bins because they could catch fire. Recycling your device or battery at a safe battery recycling location is the best way to dispose of them. Visit call2recycle.org to find a recycling spot near you.

The Porcupine Plain Fire Department encourages all residents to be aware of their devices, follow the Buy, Charge, and Recycle Safely approach, and support this year's FPW theme, "Charge into Fire Safety™." The Porcupine members will be visiting the school in the upcoming week to discuss this year's campaign.

For more information about Fire Prevention Week and this year's theme, visit www.fpw.org. For fire safety fun for kids, visit sparky.org.

If you are interested in becoming a volunteer fire fighter, or if you would like more information on the Porcupine Plain & District Fire Department, please contact the Town of Porcupine Plain at 306-278-2262.

Retirement Announcement: Off Mane Street Hair Design

After 41 years in hairdressing, including 35 years serving the community of Porcupine Plain, Corinne Andrychuk has made the difficult decision to retire.

As of October 1st, *Off Mane Street Hair Design* has officially closed its doors. This decision did not come easily, as hairdressing has been more than just a career for Corinne—it has been a passion and a calling.

She is grateful to the Lord for granting her the ability to do what she loves for so many years. Over the decades, her clients became more than customers; they became friends. She extends her heartfelt thanks to everyone for the loyalty, support, and wisdom shared over the years. The relationships built, the conversations shared, and the trust placed in her chair will always hold a special place in her heart. Though she will miss the appointments, the friendships, and the joy of helping people look and feel their best, she is looking forward to this next chapter of life.

The community joins in wishing her all the best in retirement and extends gratitude for her many years of service, care, and friendship.

Pasquia Porcupine Timber Supply Area & Kelvington Timber Supply Area Public Engagement & Information Meetings

Weyerhaeuser Saskatchewan Timberlands and Edgewood Forestlands are holding a series of public engagement and information meetings related to the renewal of the 20-year Forest Management Plan and the Annual Operating Plan. Topics include:

- An update on the 20-year Forest Management Plan renewal
- Draft 2026/2027 Annual Operating Plan for harvest and reforestation operations on the Pasquia Porcupine Timber Supply Area
- Kelvington Supply Area proposed areas for 2026/2027

All groups or individuals interested or wanting to provide input in the forest management planning process are invited to attend. Industry foresters will be in attendance to answer questions.

Draft documents for the Forest Management Plan can be found at the following link:

National Day for Truth & Reconciliation Marked in Porcupine

The Porcupine Plain Métis Local and MN-S Eastern Region II hosted a meaningful afternoon of Bannock & Beading on the National Day for Truth and Reconciliation. Community members gathered to learn, share, and reflect together while honouring Métis culture and tradition.

Special recognition was given to Elder Lily Earnshaw, whose generosity, wisdom, and teachings continue to inspire future generations. From traditional beadwork to gardening, canning, and plant knowledge, Lily has long been a source of strength and connection in the community.

A heartfelt thank you goes out to Elder Lily for leading the beading circle, to Leona from Caroline's Restaurant for the fresh bannock, to Parkland Co-op for sponsoring jam and butter for the bannock and the meat tray for lunch, and to everyone who took part in this day of learning, connection, and reflection.

Elder Rita Ducharme was also recognized by MN-S ER2 for her outstanding work in preserving and sharing the Michif language. Through her school programs across Eastern Region II, Rita ensures young people continue to celebrate and carry forward this vital part of Métis culture. *To the right you will find a graphic celebrating the fall season and the Michif language.*

Community Cares Cupboard – Thank You for Your Support

The Porcupine Primary Health Care Development Team is proud to share that the *Community Cares Cupboard*, launched in September, has already received an incredible amount of support from our community. Thanks to the generosity of local residents, businesses, and volunteers, the cupboard has been well-stocked and put to good use since opening.

The cupboard, located next to the medical clinic and New 2 U in Quilly's Community Place, is open on Tuesdays from 9am-4pm, during New 2 U's regular hours, offering discreet and accessible food assistance for those who need it.

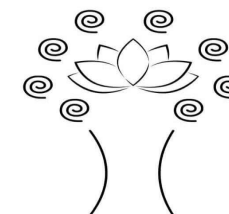

Ongoing donations are welcome and can be made throughout the week at the medical clinic or at the Parkland Co-op food store, which continues to accept food donations. There are donation boxes at community businesses or, if you want to make a larger cash donation, those can be made through the Town Office. We are deeply grateful for the outpouring of kindness and compassion that has already been shown. This initiative truly reflects the strength and caring spirit of our community.
