A friendly reminder to be a good neighbour!
Fall is the perfect time to tidy up your yard,
clear away unwanted junk, and mow your
grass before the snow flies. Keeping your
yard clean and free of debris not only makes
our community look better — it can also
help prevent unwanted pests and
rodents from moving in.

**Take a little time this fall to clean up, clear out
and keep our community looking its best!**

90s COUNTRY MUSIC BINGO RAISES \$3,230!

The Porcupine Healthcare Development Team hosted its first Music Bingo Fundraiser on Friday, October 2, with a 90s Country theme — and what a night it was!

The first round of bingo (single-line) was won by Josh Kwasney. The second round (blackout) featured a grand prize consisting of a raised planter donated by Porcupine Opportunities Program, \$50 gift certificate to Parkland Co-op, and \$25 gift certificate to Town & Country Greenhouse — so the planter could be filled with dirt and flowers! The grand-prize round came down to a very close contest, with two players calling bingo at the same time! MC Craig Kriger brought out the tiebreaker trivia game, with Antonie Zenuk ultimately taking the grand prize. Out-of-towner Lorie — who enjoys travelling to different communities to play Music Bingos! — took home a runner-up prize of \$50 certificates from Slobodian Pharmacy & Parkland Co-op.

MC Craig had a couple other games planned for the crowd. *Finish the Lyric* was won by Kelly Ford, and the *Air Guitar Contest* was won by Robert Nicholson. Each winner went home with \$25 gift certificates sponsored by Blair's Funeral Home. The Best Dressed Cowboy, Josh Kwasney, won a \$50 certificate from each of Between the Buns & Parkland Co-op. The Best Dressed Cowgirl, Isabelle Kwasney, received a one-hour massage donated by Wild Healing Massage. Alicia Curle was the lucky winner of \$315 from the 50/50 draw!

Most importantly, the evening raised an incredible \$3,230 to support Healthcare Development Team initiatives, including the Community Cupboard, Little Sprouts, and other projects.

An event like this doesn't happen without a lot of people working behind the scenes. Thank you to DJ Sonny for keeping the music going, MC Craig Kriger for keeping everyone entertained, and Mayor Nick Wood for bartending. Thank you to the Development Team volunteers who helped with setup and worked admission, 50/50 and bucket raffle tables — Curtis, Rita, Tracy, Marilyn (Grant), and Koral. Special thanks to Slobodian Pharmacy for selling advance tickets, and to the Porcupine Plain Museum for lending decorations.

A huge thank-you goes out to our event sponsors Johnston Agencies, Parkland Co-op, Slobodian Pharmacy, Klimm McKee Law, Blair's Funeral Home & Porcupine Opportunities Program, as well as all of the local businesses who donated bucket draw prizes. Your generosity helped make the evening extra special.

And, of course, thank you to everyone who came out, bought a ticket, played bingo, dressed up, or supported the event in any way. The incredible \$3,230 raised is a direct reflection of the generosity and community spirit of Porcupine Plain and area.

Grand Prize Winner: Antonie Zenuk (photo above); and **Best Dressed Cowgirl & Cowboy:** Isabelle & Josh Kwasney (photo below)

The Community Cupboard celebrated One Year in September 2026!

The Cupboard continues to be accessed weekly by families in our community experiencing food insecurity.

The confidential, accessible program is supported entirely through community donations.

High-need items include: breakfast cereal, pancake mix, syrup, canned fruit, canned vegetables, canned meat/fish, soup, school snacks, and personal hygiene items. Donations can be dropped off at the Porcupine Medical Clinic or Parkland Co-op Food Store.

Please note that large bulk containers or bags cannot be divided for multiple users, unless those items are individually wrapped.
Thank you to everyone who continues to donate and support this important community resource!

National Day for Truth & Reconciliation

The Porcupine Plain Métis Local & Town of Porcupine Plain hosted a full day of activities on September 30 in recognition of the National Day for Truth & Reconciliation, bringing community members together to learn, share, reflect and take another step toward reconciliation.

The morning began with a Bannock & Jam Workshop led by Judy Hall, followed by an earring-making workshop with Ann Favel in the afternoon. Participants had the opportunity to learn traditional skills, share conversation and connect with one another.

A soup and bannock lunch was then hosted by the Porcupine Métis Local which was open to the public, with a great turnout from the community. Following lunch, attendees took part in a short Walk for Reconciliation along the Story Stroll pathway at Scott Park.

The National Day for Truth & Reconciliation is an opportunity to remember the children and families impacted by the residential school system, listen to the voices and experiences of First Nations and Métis people, and reflect on our shared responsibility to move reconciliation forward. In remarks prepared for the event, Mayor Nick Wood noted the importance of approaching reconciliation with an open mind and an open heart, and asking ourselves “How can I advocate and support?” He reflected on the importance of remembering the past, learning from it, and doing better. Each of us has a role to play by listening, learning, supporting one another, and helping build a community where everyone is treated with dignity and respect.

A sincere thank-you goes to everyone who helped make the day possible. Thank you to Judy Hall for facilitating the Bannock & Jam workshop; to Judy, Laurie Althouse, Lily Earnshaw and Debbie Dmytriw for preparing lunch; Ann Favel for instructing the Beading Workshop; and to everyone who registered for and participated in the workshops. Thank you also to Parkland Co-op for its contribution toward the meal, and to everyone who attended, volunteered and supported the day's activities.

Events like this are an important part of building understanding, strengthening relationships and continuing the work of reconciliation in our community.

Culture Days 2026

Culture Days—a national celebration of arts, culture and creativity—was held September 18–October 4, and brought a variety of cultures, stories, food, art and hands-on activities.

The Porcupine Public Library hosted Storytime & Snacks on Tuesday and Thursday each week. Participants learned about Ukraine through a beautiful storytime with Evelyn Powlowski, followed by homemade pierogies; explored Métis culture with Lily Earnshaw through stories and hands-on beadwork, along with delicious Bannock made by Judy Hall; discovered the Mid-Autumn Festival and Chinese culture with Tony Lau, who shared stories and mooncakes; and looked at Filipino culture with Raquel Hernandez who shared the legend of the pineapple and some amazing food! The Story Stroll at Scott Park featured a self-guided look at the history of the abashka and a Mid-Autumn Festival story in Cantonese, accessible by QR code.

Culture Days also included a fun and creative Pincushion & Trash Can sewing workshop hosted by Elva Nerlien, giving participants a chance to try their hand at a sewing project.

Thank you to everyone who shared their culture, stories, talents and traditions with our community. Culture Days was a wonderful reminder of the many cultures and traditions that help make our community so special!

Porcupine Plain Fire Department Urges Residents to Power Up Devices with Fire Safety in Mind

The Porcupine Plain Fire Department is teaming up with the National Fire Protection Association® (NFPA®) to support Fire Prevention Week between October 4-10, 2026. This year's theme, **"Charge into Fire Safety: Safe Charging Is a Superpower"** focuses on the simple steps people can take to recharge safely. Safe charging means making smart choices every time you plug in.

Many devices used in our daily lives — phones, tablets, laptops, tools, toys, e-bikes, and scooters — run on rechargeable lithium-ion batteries, which store a lot of energy in a small space. If they are damaged or charged the wrong way, they can overheat, start a fire, or even explode.

“The way you charge your lithium-ion battery devices can make a difference in helping prevent home fires,” said Jason Alexander, Fire Chief. “It comes down to using simple habits each time you plug in.”

- Use the cord and charger that came with your device or one approved by the manufacturer. Using the wrong charger can damage the battery and increase the risk of fire.
- Charge devices on a table, desk, or other hard, flat surface. Do not charge them on beds, couches, or under pillows. Devices and chargers produce heat during normal charging. Soft surfaces can trap heat and block airflow, which can cause the battery to overheat.
- Stop using your device if it feels very hot, starts to swell, is smoking, or has a strange smell. These are warning signs that the battery may be damaged or failing.
- Unplug your device when it is fully charged. Do not leave it plugged in longer than needed. Leaving a device plugged in too long can increase heat and stress on the battery.
- Charge larger items like e-bikes, scooters, and power tools outside and away from exits. These batteries are larger and store more energy. If they fail, fires can grow quickly and spread.
- When on a plane, keep your device where you can see it while charging. Do not charge devices in overhead compartments. Do not charge e-cigarettes or vapes on a plane. If a battery overheats or fails, it is important for the flight crew to respond quickly.

The Porcupine members will be visiting the school this week to discuss this year's campaign. For more information about Fire Prevention Week and this year's theme, visit www.fpw.org.

If you are interested in becoming a volunteer fire fighter, or if you would like more information on the Porcupine Plain & District Fire Department, please contact the Town of Porcupine Plain at 306-278-2262.

YOUR BLUE RECYCLE BINS

Do not place garbage or other non-recyclable items in your blue recycle bin. Refer to the list of recyclable and non-recyclable items below. IF YOU ARE UNCERTAIN IF AN ITEM IS RECYCLABLE, ERR ON THE SIDE OF CAUTION AND THROW IT IN THE GARBAGE! The ENTIRE TRUCK LOAD will be REJECTED if there is even one non-recyclable item in the load.

Space is required for the truck to pick up your bins; when placing bins on street, leave room for pickup. Do not place your bin close to another bin or beside a vehicle. In order for your garbage or recycling to be picked up by the Greenland truck, your items must be neatly INSIDE the bin, with the lid CLOSED. You CANNOT have bags on top of the bin or beside it. The driver will not get out to toss garbage into the truck. Your bin will not be picked up/dumped if there is garbage on the lid.

THE FOLLOWING ITEMS CAN BE PLACED IN YOUR BLUE BIN OR IN THE RECYCLE BINS LOCATED AT THE PORCUPINE TRANSFER STATION:

HALLOWEEN SAFETY TIPS

- ◆ Younger children should always walk with an adult. Older children should always walk in a group.
- ◆ Use a flashlight, glowsticks, or reflective tape to make it easier to be seen at night.
- ◆ Do not go to any dark, unlit houses. Do not go inside a stranger's house.
- ◆ Cross at crosswalks and make eye contact with drivers before crossing the street.
- ◆ Walk - don't run! Pay attention when walking past drive-ways; make sure cars aren't pulling in or out.
- ◆ Costumes and shoes should fit to avoid trips and falls. Costume accessories (swords, etc.) should not be sharp!
- ◆ Do not eat any candy until an adult has checked it.
- ◆ Keep an eye out and drive safe!
